"In celebration of Camelot's eighth anniversary a special quest has been added for each of the realms. Be on the look-out for a crazy old lady bearing a task for you to complete. Albion can find the crazy old lady near the Camelot hills entrance of Camelot, while Midgard will find her near the Vale of Mularn entrance of Jordheim. Hibernia's less than sane elder may be found near the Magmell entrance of Tir Na Nog.

Thank you to all our players for eight amazing years of support and dedication. We look forward to celebrating many more anniversaries with you!"
